E-Mail alert system

The Orleans Police Department is accepting e-mail addresses for both the business community, as well as the residents of the town.

The purpose of the e-mail system is to alert either the businesses in town or the residents of any criminal activity that may be occurring in their area. This could be Breaking and Entering to homes or cars, door to door scams, or counterfeit money circulating. This will also allow you to inform us of any suspicious activity that we should be aware of, such as suspicious persons/ vehicles or e-mails that you may question. If you would like to be a part of this new system, please e-mail Detective Kevin Higgins at khiggins@orleanspd.com, and indicate your physical address and the e-mail address that you would like us to use.

If you have any questions, please contact Detective Higgins at the Orleans Police department at 508-255-0117, ext 105.
