5. Consider March 13 Public Forum – The Committee may discuss the format of the forum, including the time available to speakers; the mix of in person and remote comments; the Committee's intent to interact with participants; and any other aspects of the forum that may arise.
6. Candidate Interviews – The Committee will first identify 8-12 areas in which it wishes to question candidates. Once these are determined, specific questions will be drafted and assigned to specific Committee members. A sequence will be set.
