1. *Orleans Poet Laureate* designation. It will involve a collaboration with OCC, OCD and Snow Library. We have just finished drafting a proposal.

2- *The I Spy Walking Map Revision* which is on its 3rd tweaking and almost ready for printing. This is a family oriented pedestrian friendly walking map guiding you around the center of Orleans to discover the Murals and Sculptures...Orleans Public Art...while playing the game "I Spy". Can do in segments or the whole walk in 30 to 60 minutes.

In the past, the OCC helped to fund the printing of the I Spy map and the OCC logo currently is placed alongside the OCD and the MCC logo.

3- CDC is in the original phases of beginning a search for a *new sculpture* to be placed in the circular area of the sidewalk at the intersection of *Brewster Cross Road and Main St.* on the Santander Bank side. The Town, George Meservey, Town Planner, will put out an RFP for a call to Cape Cod artists. There is no state funding for the sculpture even tho the design was part of the State improvements for that section of Main St. We are looking to the OIA to do major funding but we have not got to that part yet. OCD will be contributing at least \$1500. The heads up is that the OCC will be asked if they want to contribute, too. All that is needed now is a commitment of an amount, but would not be needed right away as we are just in the initial stages.

6. Next meeting: Tuesday, July 12, 2022, at 4:30pm Orleans Town Hall

The listing of matters is those reasonably anticipated by the chair which may be discussed at the meeting. Not all items listed may in fact be discussed and other items may also be brought up for discussion to the extent permitted by law."
