V. David Eisen

- Discussion of follow up questions for respondents
 - Is this a partner program or is this a program to be integrated into Center
- Discussion of costs of potential project
 - Millis Comm Ctr cost est - \$1k sq/ft (This included all costs except for land acquisition)
- Next step – Town wide survey
- Work up possible Community Center layouts
- Larger public input session
- Site option evaluation
- Discussion of Gov Prence Town surveying and how to integrate into Taskforce work
 - Hesitation of discussing site location before finishing programming survey expressed by some members

VI. New Near Term Tasks

- Need to start defining the primary use for the potential Center
 - Ex. should library be integrated into Comm Ctr? Or coordinate spaces?
 - Discussion of how this Taskforce came to be
 - Was this primarily driven by Recreation needs? If so, defining recreation space needs vs. scheduling issues vs. personnel issues
- Draft the Community-wide survey
- Condense overview of current survey results into more palatable form

- Taskforce needs more information from Recreation
 - Kyle provided what Rec Advisory Committee had to Fritz
- Taskforce should have members take a visit to neighboring community centers

Discussion of the purpose of the Taskforce and how to define a potential Community Center
