

# Current Rules for O.S.V. Tires

**P235/75      R 15**

↑  
Tire Section Width

↑  
Wheel Diameter

**Wheel diameter of:**

**13"** - Must be 185 or larger (195, 205, etc.)

**14"-19"** - Must be 215 or larger (225,235,245,etc)

***Recommended Tire Sizes***

Diameter	Width	Profile	Example
13"	185	70+	P185/70 - R 13
14"	215	70+	P215/70
15"	225	65+	P225/65
16"	235	60+	P235/60
17"	245	55+	P245/55
18"	255	50+	P255/50
19"	265	50+	P265/50

***Any tires smaller than the recommended tire size will require the vehicle to work harder and increases the likelihood of the vehicle becoming stuck, which would require a towing company to tow the vehicle off the beach at the owner's expense.***
