The Federated Church of Orleans was established in 1646. The current church building was constructed in 1829 with a Greek Revival/Queen Anne architectural style and is registered with the Massachusetts Historic Commission (Inventory N0. ORL 196 with its historic name as South Parish Church); the Orleans Historic Commission; Orleans Historic Properties Survey and the East Orleans Main Street Historic District.

The steeple had fallen into disrepair and pieces of some of the louvres were beginning to fall off, creating an unsafe condition for congregants and visitors. Christopher Burgess Steeple Jacks were hired to restore the steeple including repairs to the weathervane. (Details in attached narrative)
