

# **It's a Climate Emergency! What Can We Do?**

The Am HaYam Climate Justice Committee, in conjunction with the Federated Church of Orleans, will present a three-part series of workshops on Combating Climate Change.

With a bit of foresight, we can avoid using technologies that will need to be replaced in order to achieve our goal of reaching net-zero emissions by 2050.

**All Workshops are 7:30 PM to 9 PM** via the Zoom link below:

**Passcode: TikkunOlam**

## **Wednesday, May 18**

**Program 1: Home heating, cooling, appliances, and conservation, presented in conjunction with the Cape Light Compact.**

## **Wednesday, June 1**

**Program 2: Electric vehicles, how much fun they are, and when will they be less expensive than fossil fuel vehicles? This is the future!**

## **Wednesday, June 15**

**Program 3: Solar photovoltaic arrays, on our homes and businesses and battery storage.**

### **Our Mission**

The Climate Justice Committee of Am HaYam Cape Cod, a Jewish Fellowship, in line with our commitment to *Tikkun Olam (The Repair of the World,)* aims to raise awareness, and equitably share strategies and resources, toward addressing the causes and mitigating the damage of the global climate emergency.
