PROPOSED MOTION

I move that this article be accepted and adopted as printed in the warrant and that the sum of Six Hundred Fifty Eight Thousand Three Hundred and 00/100 Dollars (\$658,300.00), be appropriated for this purpose and for costs incidental and related thereto, and that the Treasurer, with approval of the Select Board, is authorized to borrow the sum of Six Hundred Fifty Eight Thousand Three Hundred and 00/100 Dollars (\$658,300.00) pursuant to Massachusetts General Laws, Chapter 29C and Chapter 44 Sec. 7 and 8, or any other enabling authority, and to issue bonds or notes of the Town therefore, provided however that this vote shall not take effect until the Town votes to exempt from the limitations on total taxes imposed by the Massachusetts General Laws Chapter 59, Section 21C (Proposition 2 ½ so called) the amounts required to pay the principal and interest on the borrowing approved by such vote. Any premium received by the Town upon the sale of any bonds or notes approved by this vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be

applied to the payment of costs approved by this vote in accordance with Chapter 44, Section 20 of the General Laws, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount.

SUMMARY

This article will fund the Final Design services related to the Meetinghouse Pond Area Collection System and Pumping Station Project.
