

# Climate Change: What Homeowners Should Know and What They Can Do

Learn about the issues facing our coastal communities  
and how you can be part of a resilient coastal community.

**Speaker: Shelly McComb**  
**Coastal Resilience Specialist**  
for the Cape Cod Cooperative Extension and  
Woods Hole Oceanographic Institution Sea Grant

**Additional Program Sponsors:**  
Orleans and Harwich Climate Action Networks  
and Eastham Climate Action Committee

**Tuesday, March 25th**  
**10:30 to noon**

**Lifetime Learning, Snow Library, Orleans**

(Presented in person, via zoom, & recorded for your convenience.  
Closed Captioning is available on zoom and the recording.)  
Registration begins February 3 at Snow Library or online at:  
[www.friendsofsnowlibrary.org/lifetime-learning-program](http://www.friendsofsnowlibrary.org/lifetime-learning-program)
