

2020 Federal Census Important Update

Residents who receive their mail at post office boxes did not receive a US Federal Census postcard invitation.

These were sent by the Census Bureau to physical addresses, as per their regulations. With the ongoing Covid 19 issues, the timing of the follow up process is unclear, as it generally involves door to door census takers.

BUT you can and should still answer the 2020 Federal Census. You do not need a census ID or invite to respond. Please visit the site below and be counted!

<https://my2020census.gov>

The U.S. Federal Census counts every person in the country every 10 years. **The information gathered through the census is used to decide how much our communities get in state and federal money for things like public health, transportation, and education.**

It is easy and your answers are confidential. Please respond today!
