Firearm Permit Instructions Requirements for Renewal or First Issue

Only full time residents or business owners in Orleans will be eligible for a firearm permit.

Out of state non-residents/persons not falling within the jurisdiction of a local licensing authority may seek a Temporary License to Carry by contacting the Firearms Records Bureau at (617) 660-4780

Requirements for Original Issue

- A Firearm Safety Certificate or Basic Hunter Safety Card is required for all original issued firearm permits. If you have had a Firearm License from another state, you are still required to receive a safety certificate from a certified Massachusetts instructor before processing will begin.
- \$100 check or money order payable to the “**Town of Orleans**”. **NO CASH WILL BE ACCEPTED.** This is a non-refundable fee.
- Applicants must be 21 years of age to apply for a License to Carry. Applicants, more than 15 but less than 18, are required to have written permission from a parent or guardian to apply for a Firearms Identification Card.
- **Please call Administrative Assistant Greta Montgomery Monday through Friday between 8:15 am and 2:15 pm to set up an appointment.** The processing will take approximately 45 minutes to complete as your application and set of fingerprints is submitted electronically. Your firearm permit will be sent to the police department from the Firearm Records Bureau. If denied, reasons for such denial will be furnished to the applicant in writing.
- Each permit is valid for 6 years.
